WORK EXPERIENCE

Huawei Ambassador

April 2022-Current

Huawei Company

As an ambassador for the Huawei ICT Academy at Salale University, My primary responsibility is to promote the academy and its offerings to students and faculty members. Which involves raising awareness of the academy and its courses, as well as providing guidance and support to students who are interested in pursuing ICT-related education and careers.

Networking and maintenance

July- September 2022

National Election Board of Ethiopia

As an intern at the National Electoral Board of Ethiopia (NEBE), My responsibilities in networking and maintenance were crucial to ensuring the smooth functioning of the organization's technical infrastructure. Which involved tasks such as configuring and troubleshooting network devices, maintaining servers and workstations, implementing security measures, and providing technical support to NEBE staff.

Teacher and Fund Raiser

July-August 2017

Young Women Christian Association (Y.W.C.A)

As a teacher and volunteer fundraiser for the YWCA (Young Women's Christian Association), I was responsible to designing and delivering educational programs to students, mentoring and supporting them in their academic and personal growth, and helping to organize and coordinate fundraising activities to support the YWCA's mission.
